CITY SHOP SEWER LINE

Discussion was held on the need to repair or replace a sewer line in between the new city shop and old city hall due to freezing. Council instructed Mayor Triepke to get a quote for the cost to tear down the old city hall, as this would solve the sewer line problem as well.

Discussion was also held on two other water/sewer issues, which will be part of regular water/sewer maintenance and not need specific council approval.

Mayor Triepke adjourned the meeting at 6:38 pm.
