

EDGELEY CITY COUNCIL
December 4th, 2023

Council Member Berry introduced the following resolution and moved for its adoption.

The City Council of Edgeley does hereby change policy concerning minimum utility rates for all residents and commercial service. Policy change is as follows.

- 1) All residential homes, buildings, and commercial buildings that have a curb stop and have a water and sewer line in place to the building will be required to pay the minimum water, sewer, and garbage rate as of January 1st, 2024. If the curb stop is shut off for nonpayment the minimum bill remains in place. Failure to pay the bill will result in placement of the bill on the property taxes of said location.

RATE STRUCTURE: Effective January 1, 2024

Water Base rate of \$30.00 no water, \$5.45 per thousand gallons of water.
If Water meter has no sewer hooked up to the system there will be no sewer charge.

Sewer Base rate of \$16.00 with a usage of up to 2,000 gallons of water, \$16.50 with usage from 2,001 to 5,000 gallons, \$17.00 with usage of 5,001 to 10,000 gallons, and \$17.50 over 10,000 gallons.

Garbage: Residential \$22.50 per 65 gallon tote, \$30.00 for a 96 gallon tote, Senior over 65 \$21.50 per tote, recycling totes provided at no cost.

Surcharge of \$6.00 per billing with \$3.00 for street lights, \$1.00 for mosquito control, and \$2.00 for sewer maintenance.

Council Member Sitzmann duly seconded the motion for adoption of the foregoing resolution. On a roll call vote Members Caudillo, Gutschmidt, Schoenfelder, Sitzmann, and Berry voted in favor. No one voted against. Member Schlosser was absent.

APPROVED:

Cal Triepke, Mayor

ATTEST:

Joseph C. Neis, City Auditor
